FOR IMMEDIATE RELEASE

Forget Me Knot Crystal Haze Cuff

Zultanite "Angels Trumpet" Ring

Stephen Webster will host a cocktail party on **Monday, August 20, 2012 from 7-10pm** in his "No Regret's Lounge," located in the Beverly Hills boutique at 202 N. Rodeo Drive. The evening will celebrate the launch of his new fine jewelry collection, "Forget Me Knot" and his collaboration with the rare gem Zultanite. Beautifully crafted and wonderfully creative, "Forget me Knot" explores the idea of dangerous beauty wrapped in a barbed wired bow. This collection is characterized by diamond razor ribbons, bows, and barbed knots, all together embodying a sense of grace and elegance. Stephen Webster for Zultanite is a collection of couture jewelry that uses the chameleon like gem that changes from contrasting colors ranging from kiwi greens with flashes of canary yellow, to rich champagnes, and raspberry hues.

Style expert, Ashley Avignone who has been involved in some of Hollywood's most iconic looks, will be creating a window installation incorporating our "Forget me Knot" silver collection. Her installation, "Beautiful Nightmare" will incorporate the idea of "danger" and "glamour" that is ubiquitous with Stephen Webster designs. Ashley joins the ongoing list of Hollywood stylists who are invited monthly to create a new window display in our Wilshire Blvd. facing store window.

The evening will also welcome co- host and guest of honor Alison Balsom. Alison was named Classic Brit Awards, "Female Artist of the Year," 2011. She joins us on the eve of her solo Hollywood Bowl trumpet performance on August 21.
